

**Mission Statement:** It is our mission to exceed our government and commercial customers' expectations while maintaining a level of service that is unparalleled in our professional services and parts supplied industry.

## COMPANY OVERVIEW

BC Engineered Products (BCEP) is headquartered in Morristown NJ with a Technical Center in Lutz Florida and provides exceptional engineering services and parts manufacture to its customers.

BCEP provides key engineering and manufacturing talent to perform on government contracts and commercial customer programs across the United States. BCEP currently provides engineering and manufacturing support to various platforms and missions for DoD and non-DoD agencies.

## MFG & TECHNICAL SERVICES

To meet the growing demand for specialized engineering and manufacturing, BCEP provides services in the following areas: **Engineering, Parts manufacture and supply, Obsolescence, FAI, Inspections, Testing, Technical Data Package Development, Reverse Engineering, New Product and SAR package Development.**

## PRIMARY INDUSTRY NAICS CODES

BCEP provides a variety of exemplary services under the following North American Industry Classification System Codes (NAICS) and/or Product and Services Codes (PSC):

- |          |   |           |   |
